Civil Action No. 5:11-00053-JRG

JURY TRIAL DEMANDED

**NOTICE REGARDING MICROSOFT CORPORATION'S CONFIDENTIAL  
MATERIALS**

With respect to the matters at issue before the Court concerning Motorola's Motion to Compel Tivo and Microsoft's assertion that it is entitled to protection of certain confidential information, Microsoft advises the Court that it objects to the production of unredacted versions of the reports of Kevin Jeffay and James Storer as they contain confidential Microsoft material, subject to the Protective Order issued in the *TiVo v. AT&T et al* case, said material being irrelevant to the matters at issue in the present case. The parties Microsoft, Motorola, and Tivo are continuing to work to reach an accommodation with respect to production of these materials.

Dated: November 21, 2012
